DESTINATION · FAR EAST

Thailand

A warm welcome, in several different settings.

Thailand can combine a city introduction, a northern country retreat and a coast or island stay. Food, gardens, markets and time beside the water give the journey a different emphasis depending on the bases you choose.

A three-part route is one possibility, but fewer stops can be equally rewarding. Start with the experiences

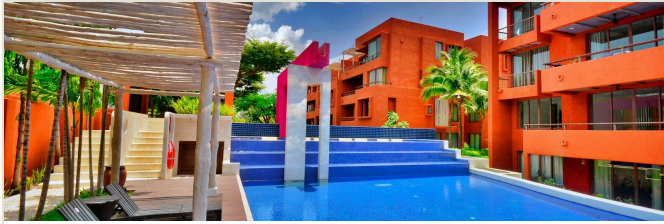

that appeal, then choose properties and transfers that leave room to enjoy them.

A collection shaped around you

City discovery, northern character and the coast. Compare twenty distinctive stays on the pages that follow.
