DESTINATION · AFRICA

South Africa

Several memorable worlds in one journey.

South Africa can connect Cape Town, the winelands, coastal touring and a safari chapter. Different property styles help make those settings distinct, from a country retreat to a lodge selected for wildlife outings.

Choose whether variety or time in a particular setting matters most. The daily rhythm, transport and space

to relax should all influence the stays, not just the list of places included.

A collection shaped around you

Cape character, country stays and wildlife. Compare twenty distinctive stays on the pages that follow.

Kenya

Wild horizons and an Indian Ocean finale.

Kenya offers the contrast of safari accommodation, broad landscapes and a coastal retreat. Camp life and beach days follow different rhythms, making the balance between them a useful first decision.

Think about early starts, comfort between outings and the length of your coastal finish. A carefully

selected property supports the experience you want without promising particular sightings or fixed wildlife encounters.
