# Greece

*Choose the rhythm of your Greek escape.*

Greece offers the contrast of island views, village streets and time beside the sea. Santorini, Crete, Paros and Naxos suggest different kinds of stays, while Athens can provide a city chapter before or after the coast.

The right place is about more than a famous view. Think about nearby dining, access to the water and

whether you want one base or a change of island, then let your specialist help shape the details.

# Italy

*Beauty best enjoyed without rushing.*

Italy rewards time in a carefully chosen setting: a lakeside residence, a Tuscan country house or a small city base. Gardens, food and private outings can sit alongside days with little planned.

Choose the Italy you want to experience before adding destinations. Two contrasting stays may bring

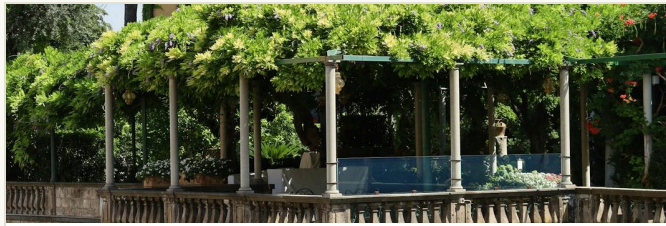

variety, while a longer visit to one region lets you appreciate its quieter details.
